General Guidelines

Please bring donations to the Friends of the Library door in the lobby of the Main Library (near the circulation desk) during regular library service hours.

If you have many items, you may request a book cart at the Circulation Desk on the first floor.

Receipts are available from and signed at the Circulation Desk.

It is the donor's responsibility to count materials for which you wish a receipt. You will probably find it easier to do this before you bring them to us.

We cannot provide home pick-up service.
